Your idea. Your collection.

Start from a catalog reference or send your own sketch, tech pack or reference link. Share the requirements below so we can confirm the next steps.

01 Product direction

Style code, intended use, target market, sales channel and estimated quantity.

02 Material & construction

Material composition, surface finish, dimensions, colors, lining, pockets, closure and straps.

03 Branding & presentation

Logo artwork and placement, hardware finish, hangtags, labels, dust bags and boxes.

04 Sample & order

Review the sample against your brief. Confirm final specification, minimum quantity, delivery plan and order terms.

Catalog photographs show product references. Any branding visible on a reference is agreed separately for your project. Photographs do not verify material composition.

Let's make it yours.
